Mendon RECC Merger Update

We continue to prepare for the merger of our two RECC's. Our fiber contractor reports materials should be delivered the first week of February, with installation to be scheduled thereafter.

We have engaged all other vendors and

are preparing contracts. This includes Police RMS (records management software), Fire RMS, security measures (cameras and intercoms), radios and telephone systems.

State 911 Department Grants

The FY2022 Development Grant application has opened, with a due date of March 4, 2021. The MECC management team is hard at work to ensure we meet this early due date.

The vision for the MECC began back in 2010. The end result is the culmination of a lot of hard work, dedication and teamwork. We could not have done this without the financial support of the S911D, who have awarded the MECC almost ten million dollars to date in the Development Grants.
